Douglas Adams - Human Beings' Uniqueness

Douglas Adams (1952-2001) was the bestselling author of The Hitchhiker's Guide to the Galaxy series, which used comedy science fiction to deal with some of the greatest philosophical questions in life. Adams was also an advocate for environmentalism and conservation; he is remembered also for his radio documentary series, Last Chance to See, which discusses species on the brink of extinction.

“Human beings, who are almost unique in having the ability to _____ from the experience of others, are also remarkable for their apparent disinclination to do so”
