

## Quote Quest

### Jane Goodall - The Greatest Danger to Our Future

Jane Goodall (born 1934) is a world-renowned-chimpanzee expert. Since 1960 (when she first went to Tanzania) she has been studying wild chimpanzees' social and family interactions; she witnessed and recorded how human-like the chimpanzees' behaviours were.

“The greatest danger to our future is \_\_\_\_\_”

JANE GOODALL

## Questions

1. What words are missing from the quote?
2. Do you agree with the statement in the quote?
3. Can you remember a time when you felt apathetic about the future? What made you feel that way?
4. Can you think of a current event or an event from your own life that corresponds with the quote? Does it relate to a tv show, a movie, a game or a book that you like?
5. Make up your own quote or saying. If you had one message to convey to the world, what would it be
